## CAR OPENING TOOLS

### AUTO JIGGLERS - £19.95

Used by many locksmiths and repo people, Auto Jigglers open many foreign and domestic cars and trucks. Manufactured from full hard spring stainless steel. Part Number - SJG-10

### SHOVIT TOOL - £17.99

We didn't invent this little tool, but we do manufacture it. The "Shovit Tool" can open many door locks by using the old credit card technique – just shove the device behind the plunger and push down and forward, forcing the plunger back into the lock housing. An inexpensive device that belongs in your tool box. Code: SJ-50

### AIR FIGHTER "PROFESSIONAL" - £36.95

The air fighter is the ideal car opening tool and is one of the most common ways locksmiths, Police, Fire services etc gain access to a vehicle. You slide the air fighter between the door and door frame and then inflate the bag. Once you have a wide enough gap you insert the opening tools (supplied) into the car and open the lock. This method causes minimum to no damage to a car which is why it is so popular.. Part Number AF-P

### LARGE AIR FIGHTER CAR OPENING KIT - £34.95

The air fighter is the ideal car opening tool and is one of the most common ways locksmiths, Police, Fire services etc gain access to a vehicle. You slide the air fighter between the door and door frame and then inflate the bag. Once you have a wide enough gap you insert the opening tools (supplied) into the car and open the lock. This method causes minimum to no damage to a car which is why it is so popular. This is the full sized version of the AF-S.. Part Number AF-L

### SLIM JIM - £19.99

We use only the finest spring steel in all our tools and we go the distance to give you a Jim with rounded edges and a top quality vinyl handle. It's simply the best there is! It also includes an instruction booklet. Product Number: SJ-100

## QUICK ENTRY TOOLS

### SNAP GUN LOCK PICKS - £48.95

The snap gun was developed decades ago to allow police officers who were not skilled in the art of lock picking to open locks with minimal instruction. Rather than opening locks by the traditional raking techniques, a snap gun uses a primary law of physics, the transfer of energy, to compromise locks. Comes with picking needles, tension tool and instructions. Part Number - LAT-17

### E100C ELECTRIC LOCK PICK (3VOLT) - £97.45

### E100HO ELECTRIC PICK (4.5 VOLT) - £97.45

The Electric Lock Picks feature aluminium and hard steel construction. Unlike other electrics, the E-Series Picks are powered by conventional Ni-Cad or Alkaline "C" cell batteries, so you never need worry about replacing expensive battery packs or throwing the tool away when it will no longer take a charge. Includes four picking needles, three tension tools, and two adjustment wrenches.

### PADLOCK SHIM SET - £19.95

An easy way to open many padlocks is to utilize Padlock Shims. Made of very thin spring steel, they come in several sizes to fit the contour of the hasp of the lock. Just push one down between the hasp and the body of the lock and twist to disengage the locking mechanism. Set consists of 20 shims. Part Number - SPS-20
